

Financial Workshops Just for Women

As a woman, do you feel confident and in control of your investments and finances? Do you know what your retirement plan looks like? Do you know what risks you are taking? Pam Katunar, Financial Advisor, has created timely courses exclusively for women to learn more about finance and investing. Pam is a skilled presenter on investing topics, and the most frequent comment from women after attending these classes is, "I wish I had done this years ago."

At some point in their lives, 90% of women will be solely responsible for their finances. Average age of widowhood in Canada is 56. Are you ready to deal with this? Come join us to start to prepare!

Bring a friend and come to learn more about how to handle this important aspect of life. Your future is counting on you!

Hosted by: Pam Katunar, Financial Advisor,
Raymond James Ltd.

In today's world, we face a very different retirement landscape. Longevity is a factor. Health care costs are on the rise. Interest rates are low. Pension plans are not as abundant. A mix of education, work, leisure, fitness, lifestyle changes, travel and volunteering all exist. How do we cope with all of these factors? Join us for this amazing day as we discuss these issues, and more!

- Where/Who am I at this stage of life?
- How do I start to plan my retirement?
- Will I outlive my money?
- What are important documents I need to know about?
- Travel Tips for women
- Health/Wellness

If you are approaching retirement or already there, this is a day that you will want to put on your schedule! (Stay tuned for more details.)
